ADDENDUM #1 TO
MONTANA DEPARTMENT OF TRANSPORTATION
INVITATION FOR BID
#HWY-309430-RP

The purpose of this addendum is for the addition of the "Protection of Aquatic Resources" special provision on the Overlay Bootlegger Trail North of Great Falls project.

3.18 PROTECTION OF AQUATIC RESOURCES

Aquatic resources include, but are not limited to wetlands, springs, streams (perennial, ephemeral, and intermittent drainages), rivers, lakes, ponds, reservoirs, irrigation systems, and associated riparian areas.

Impacts to Aquatic Resources are not anticipated in association with this project. MDT has NOT acquired any water quality permits or authorizations, including a Clean Water Act Section 404 permit (COE), a Stream Protection Act 124 notification (MFWP), or a 318 Authorization (DEQ). Therefore, impacts to any and all Aquatic Resources located adjacent to the project are not permitted. Avoid all equipment traffic, fill material, staging activities and other disturbances to Aquatic Resources.

If complete avoidance of these areas is not possible, contact the Department's District Biologist at (406) 444-9438 or the Department's District Environmental Engineering Specialist at (406) 454-5896.

All other terms, conditions, specifications and incidentals shall remain the same as originally stated in Invitation for Bid #HWY-309430-RP

ADDENDUM ACKNOWLEDGEMENT:

_____ (Vendor Signature)

_____ (Date)

hereby acknowledge that I have received a copy of Addendum #1.

A copy of this signed addendum **MUST** be included with your bid response. Failure to include a copy of this addendum with your response will result in disqualification of your response.

MDT attempts to provide accommodations for any known disability that may interfere with a person participating in any service, program or activity of the Department. Alternative accessible formats of this information will be provided upon request. For further information call Richele Parkhurst at (406) 657-0274 Voice or 1-800-335-7592 TTY or TTY (406) 444-7696.
